

CATALOGUE 2026

JAVLIN[®]
WORKWEAR

A large yellow mining truck is shown at night, with its headlights illuminated. The truck is positioned on the left side of the frame, and its large, treaded tires are visible in the foreground. The background is dark, suggesting a mining or construction site at night.

ABOUT JAVLIN

JAVLIN[®]

HARD WORK, NO LIMITS.

For over three decades, Javlin has been providing quality workwear, PPE and uniform solutions to industries that keep Southern Africa moving. Trusted by professionals across construction, mining, manufacturing, logistics and agriculture, our garments combine practical design, lasting comfort and dependable protection. Every product is developed to withstand the demands of the job while meeting the highest standards of quality, performance and reliability.

J54 100% cotton 2/1 twill 220 g/m²
OEKO-TEX® Standard 100 Certified
EN 20471 Class II - tape retroreflectivity

The J54 Reflective Conti Suit is made to SABS specification, offering superior visibility and durability. Ideal for industrial workers, it features reflective stripes for safety and ensures comfort and protection in hazardous work conditions.

A man with short dark hair, wearing safety glasses and a blue denim work jacket, is focused on his work in a workshop. He is wearing light-colored work gloves. A warm, industrial-style lamp is positioned above him, casting a focused light on his work area. The background is filled with various workshop tools and equipment, creating a sense of a busy, functional environment. Sparks are visible at the bottom of the frame, suggesting welding or grinding work.

DENIM CONTIS

BUILT TOUGH. WORN PROUD.

A workwear icon reimagined. Our Denim Contis combine the rugged durability of heavyweight cotton denim with the practicality and comfort required for everyday industrial use.

Indigo Blue

A Black male worker is shown in profile, facing right, in a dark industrial environment. He is wearing a bright green protective suit with multiple pockets, a brown hard hat, and grey protective gloves. He is holding a long, glowing orange-red metal rod with both hands. In the background, there is a large industrial machine with a glowing orange-red metal rod being processed, and a large anvil is visible in the foreground on the right. The overall scene is dimly lit, with the primary light source being the glowing metal and the worker's suit.

SPECIALISED CONTIS

CERTIFIED TO PERFORM. DESIGNED TO PROTECT.

Designed for high-risk environments, our Specialised Contis provide certified protection where safety is non-negotiable. Featuring flame retardant, acid resistant and high-visibility reflective options, these garments are manufactured to meet recognised industry standards without compromising on comfort, durability or functionality.

J54 100% cotton 220 g/m²

- Royal Blue

A man is shown from the waist down, wearing dark blue denim jeans and black safety boots with green laces. He is standing in a workshop, with his right leg raised and resting on a piece of industrial machinery. The background is dark and filled with various mechanical parts and tools, creating a gritty, industrial atmosphere. The lighting is focused on the man's legs and boots, highlighting the texture of the denim and the details of the footwear.

DENIM

BUILT FOR THE GRIND, WORN FOR COMFORT.

Built with the same durability standards as our workwear, Javlin Men's Denim Jeans combine rugged construction, comfort and modern styling. Designed for work, made for everyday wear.

 Indigo Blue

A smiling woman with her hair in a bun, wearing a blue short-sleeved button-down shirt and a white apron, holds a wooden tray with several loaves of bread. She is standing in front of a wooden wall, with a kitchen area visible in the background. The word "HOUSEKEEPING" is overlaid in large white letters.
